DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John Eisenhart on June 9, 2006.

The application has been amended as follows:

Claims 21-28 have been canceled.

Election/Restrictions

2. Newly submitted claim 21-38 are directed to species that are independent or distinct from the invention originally claimed for the following reasons:

Species A, claims 1-8, 12-13, & 16-20, drawn to attaching a bearing bracket for a washing machine.

Species B, claims 21-27, drawn to forming a separable connection between the rotor and shaft.

Species C, claim 28, drawn to forming a rotor with a rear wall and side wall integrally formed.

Species D, claims 29-31, drawn to forming a support that closely conforms to the shape of reinforcing ribs.

Species E, claim 32, drawn to mounting a rigid support to rear wall.

Species F, claim 33, drawn to forming a rotor with embossing to reinforce rotor.

Species G, claim 34, drawn to forming a rotor with outer rim bent to increase rigidity.

Species H, claim 35, drawn to forming a rotor with inner circumferential edge bent to increase rigidity.

Species I, claims 36-38, drawn to attaching shaft rigidly to rotating drum and to rotor.

3. Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 21-38 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

4. As noted above, Applicant granted the Examiner authority to cancel claims 21-38 by Examiner's Amendment.

Allowable Subject Matter

5. Claims 1-8, 12-13 and 16-20 are allowed. See Office Action dated September 30, 2005, pages 4-5 (discussing allowable subject matter).
